

CAA INTERNATIONAL LTD
STATEMENT OF COMPLIANCE AWARD
Observator Instruments B.V.

Product Name: OIC-2021 HMS 3.1 Helideck Monitoring System

This is to certify that the above product has been evaluated against the relevant specifications contained in Standard Helideck Monitoring Systems Rev 9c 2023 06 02 referenced in UK CAA CAP 437 Standards for Offshore Helicopter Landing Areas from 9th Edition, dated February 2023 and found to be compliant.

The material listed in Appendix 01 was submitted, reviewed and accepted.

This certificate relates only to the Helideck Monitoring System itself. It is the responsibility of the installation /vessel operator to ensure that the system is correctly installed, integrated and operated in accordance with CAP 437 9th Edition, dated February 2023. Satisfactory completion of a Site Acceptance Test (SAT) by the relevant authority (the Helideck Certification Agency for operations in UK waters) is required for each individual installation/vessel.
